We at the University of Toronto want you to feel proud of what you accomplish as students. Please respect all of the hard work you've done this year as you complete the following assessment of your learning by making sure that the work you do here is your own. We don't expect you to score perfectly on this assessment and there will be some things that you may not know. Using an unauthorized resource or asking someone else for the answer robs you of the chance later to feel proud of how well you did because you'll know that it wasn't really your work that got you there. Success in university isn't about getting a certain mark, it's about becoming the very best person you can by enriching yourself with knowledge, strengthening yourself with skills, and building a healthy self-esteem based on how much you've grown and achieved. No one assessment captures that but your conscience will stay with you forever. Make yourself and your loved ones proud of the student that you are by conducting yourself honestly on this assessment.
